and produced in the manufacturing plant(s) China and Kannonkoski(Finland)

This certificate attests that all provisions concerning the assessment and verification of constancy of performance and the performances described in Annex ZA of the standard(s)

EN 1317-5:2007 + A2:2012

under system 1 are applied and that
the product fulfils all the prescribed requirements set out above.

This certificate was first issued on **2012-07-05** and will remain valid as long as the test methods and/or factory production control requirements included in the harmonised standard, used to assess the performance of the declared characteristics, do not change, and the product, and the manufacturing conditions in the plant are not modified significantly. The validity of the certificate can be checked on the Internet at www.inspecta.fi.

Inspecta Sertifiointi Oy, notified body No 0416, has issued the certificate on 2016-02-03
